# ETSI KM certificate

No. ETS 083

On the request of GMO Globalsign Ltd. (hereafter referred to as: Globalsign), the certification audit on all areas and processes was performed by BSI Assurance UK Limited (Kitemark Court, Davy Avenue, Knowlhill, Milton Keynes MK5 8PP, United Kingdom, with its location at John M. Keynesplein 9, 1066 EP Amsterdam, The Netherlands).

The audit covered all applicable requirements from the audit criteria listed below (see "Audit Information") and are defined in Globalsign's Statement of Applicability, dated 11 July 2023 and the Overview of Applicability.

The scope of the assessment comprised the following Trust Service Provider component services:

- Registration Service;
- Certificate Generation Service;
- Dissemination Service;
- Revocation Management Service;
- Revocation Status Service;
- Subject Device Provision Service;

These TSP component services are being provided for the following qualified trust service(s) as defined in the UK eIDAS Regulations:

- Issuance of qualified certificates for electronic signatures (qualified trust service), in accordance with the policies: QCP-n, QCP-n-qscd
- Issuance of qualified certificates for electronic seals (qualified trust service), in accordance with the policy: QCP-I, QCP-I-qscd
- Issuance of qualified certificates for website authentication (qualified trust service), in accordance with policies QEVCP-w

In providing the (qualified) trust services, the TSP shares resources as coordinated by its parent company GMO GlobalSign Holdings K.K. in Japan. This includes providing and maintaining trust service component services, with the relevant operations, procedures, IT-infrastructure and applications.

The PKI component activities take place at different locations and are all performed by GMO Globalsign group companies, under supervision of the TSP's Policy Authority and Governance & Compliance:

- Belgium, Leuven (Policy Authority, Governance & Compliance)
- UK, London (Office, software development, IT operations)
- UK, London (Datacenter for Certificate Generation Service and Registration/Revocation Management Service production systems)
- UK, Maidstone (Registered Office: Registration/Revocation Management Service operations, support processes)
- Singapore (Office: Key management and Cryptographic controls)
- Singapore (Datacenter for Certificate Generation Service, Certificate Status Service production systems)

- + Qualified certificates for website authentication, QEVCP-w

The TSP component services are documented in the following Certification Practice Statements:

- GlobalSign Certificate Policy, version 7.0, 28 March 2023
- GlobalSign Certification Practice Statement, version 10.0, 28 March 2023
- GlobalSign PKI Disclosure Statement, version 2.0, 14 April 2023

Our certification audit was performed from March through July 2023. The result of the audit is that we conclude, based on the objective evidence collected during the certification audit from 1 July 2022 through 30 June 2023, the areas assessed during the audit for the issuance of:

- Issuance of qualified certificates for electronic signatures (qualified trust service), in accordance with the policies: QCP-n, QCP-n-qscd
- Issuance of qualified certificates for electronic seals (qualified trust service), in accordance with the policy: QCP-l, QCP-l-qscd
- Issuance of qualified certificates for website authentication (qualified trust service), in accordance with policies QEVCP-w;

were generally found to be effective, based on the applicable requirements defined in Globalsign's Statement of Applicability, dated 11 July 2023 and the Overview of Applicability 2023.
